Classes On Episcopal Church Set At St. John's

It was announced last Sunday that the Sacrament of Holy Confirmation would be administered at the Church of St. John the Apostle on Sunday, February 28, 1960. On the date, the Bishop of South Florida, the Right Reverend Henry I. Loutitt, D. D., will make his annual visitation to the Belle Glade congregation for the purpose of administering the Sacrament.

In preparation for Confirmation, the Vicar, the Reverend Robert N. Huffman, announced that classes would begin this week for both children and adults. The children's class is scheduled for 4:00 p. m. Friday, November 20th, for the adult class will meet this Sunday, November 22nd, at 5:00 p. m.

The Vicar pointed out that attendance at the classes did not commit a person to be presented for Confirmation. The classes have a three-fold purpose: to prepare candidates for Confirmation; to inquire into the nature of the Christian religion, and the work and worship of the Episcopal Church; and to serve as a refresher course for those already confirmed.

Since the overall purpose of the classes is to give a better understanding of the life, work, and worship of the Episcopal Church, the Vicar urged any and all to attend who are interested; those desiring Confirmation, those wishing to learn more about the Episcopal Church, and those members of the Church who wish a review of their faith and practice. The classes will meet regularly for a period of twelve to fifteen weeks.

A dramatic presentation of the two young people, the Becky Hill will take the part of a young lady of Old Testament days to tell the story of the "Feast of the Booths" and Miss Ann Murray will be representing a young lady from Pilgrim days, to tell us the story of the First Thanksgiving in America and then three laymen, R. S. Burr, Robert W. Larnier, and Dr. W. T. Forsey, Jr., will tell the meaning of Thanksgiving Day in their own words.

In addition there will be congregational singing of traditional Thanksgiving hymns and the prayers of Thanksgiving. This service of Thanksgiving will be open to anyone in the community that desires to spend an hour in Thanksgiving to God on our traditional Thanksgiving Day.

Those attending were: Mrs. J. Kinkadee, Mrs. Howard T. Sahler, Mrs. Beth Gessner, and Mrs. Ann Donley from Ft. Lauderdale; Mrs. R. Engle and Mrs. Kay Schlenker from Hollywood; Mrs. Clarence Crowe and Mrs. Curtis Smith, Jr., from Ft. Myers; Mrs. Wm. C. McKee, Lake Worth; and Mrs. Kenneth J. Fleisher, West Palm Beach. Mrs. J. Harrell Powell of Miami and the Past President, Mrs. J. J. Charles of Ft. Lauderdale were special guests.

Funeral Directors Elect Williams

George L. Williams, of Williams-Wetherington Funeral Home, Belle Glade was elected President of Palm Beach County Funeral Directors Association at the monthly meeting of the association held at Mizell-Simon, Faville Mortuary.

R. C. Beck was elected vice-president; **Earl G. Quattlebaum**, secretary; and **William R. Zern, Jr.**, treasurer.

Our B. G. Civic Clubs (Continued from Page One) billion total in sight. We must stop this spending, I believe at the present rate and do something towards reducing the national debt.

"I believe we should budget a certain amount annually to reduce the national debt. There was a time, not long ago, when our total annual cost of Federal government was a billion and a half, we are now paying nine billions per year in interest.

"I believe the Congress accomplished a progressive step in the passing of the Labor Bill which insures that no known criminals may hold office in a union, and also with a provision guaranteeing fair elections and fair counting of the ballots. It's not an anti-labor bill; it's fair, I believe," Mr. Rogers said.

The Congressional visitor thanked his constituents for answering his questionnaire — some 30,000 of them — to roll up the largest such expression of opinion in any Congressional district in the USA.

State Representative **Emmett Roberts** presented the Congressman to the group, as an illustrious son of an illustrious father, and one who is in demand at social functions of the Capitol City because of his status as one of the very few eligible bachelors of that social whirl.

Some 125 persons, men and women, heartily applauded the Congressman and personally congratulated him on his soundness of thought and energetic action on national issues.
